A TRUSTED BUILDER.

For over 65 years, Minto Communities has been building new homes, master-planned communities and condominiums, one home and one relationship at a time. When you choose a Minto Communities home, you're choosing more than just a home builder — you're choosing a trusted partner to help you along every step of your home buying journey. From thoughtfully designed and sustainable spaces and vibrant communities, to award-winning quality service and construction, we strive for greatness in everything we build.

MASTER-PLANNED COMMUNITIES

We understand what families need for their overall happiness and well-being. Details like social connections, outdoor enjoyment and easy access to amenities, schools and transit. That's why we build every Minto Communities home with the surrounding neighbourhood in mind.

SUSTAINABLE LIVING

We believe our success is measured by the health and vibrancy of the lives we touch and the environments we create. From green building to community building, from quality living to responsible investing, our commitment to people — and the planet — is a vital part of what we do.

INNOVATION

We never stop exploring new and innovative ways to help you live better. Our feature-rich Smart Home Package is the perfect example, putting control at your fingertips. Available in applicable communities, this technology has been carefully designed to help streamline your life with the click of a button.

INSPIRING PLACES TO LIVE

We design our homes to fit your lifestyle. That's why we constantly evolve our designs to meet the ever-changing trends, styles and needs of today while at the same time carefully integrating homeowner feedback.

THE GTA'S MOST TRUSTED INVESTMENT

It's been proven for over
65 years and more than
100,000 homes:
